President's Message

March 25, 2025 update.

I am looking forward to this year's Montana 500 Endurance Run in Helena! As you know, we need volunteers for the various activities that make the Endurance Run a success each year.

We have volunteers lined up for

- One Radar team. Thank you, Patti and Elaina.
- One Trouble Truck team. Thank you, Stan and Willy.

We need volunteers for:

- Sunday inspection team, Inspection Manual provided.
- Leaving Timing team (person and flagger), Manual provided.
- Arriving Timer team (person and flagger), Manual provided.
- Computer data entry and printout person(s), Manual and equipment provided.
- 2nd Radar team, Manual provided.
- Trouble Truck teams (3 on day one, then 2.), Manual provided.
- Meeting room setup team.
- Banquet order and setup team.
 - and other activities as needed.

Please contact me at 505-410-1909 (dribblebit@comcast.net) or Tony at 406-461-1389 (tcervovski@bresnan.net) if you would like to volunteer or if you know someone that will help out. If you volunteer your vehicle to help with the above duties, the MCCTA will pay the gasoline (diesel fuel) expenses for the vehicles used performing these duties. Keep receipts and give them to Janet for reimbursement.

Tony has set up the Helena Inn hotel that we can use as our base of operations, but the hotel has limitations for meeting room space. He is working on a backup fix for that, maybe his shop.

The next Newsletter will include the Rules Revised October, 2024. Only one rule change was made and that allowed the use of external brakes. Please note that we have 'frozen' rules changes for 2025, 2026, & 2027 so you can prepare your Model T with that knowledge. We hope this year to have more entries in the touring class.

Please place the Montana 500 Endurance Run on your vacation calendar and come to enjoy this family-reunion-like event of Model T enjoyment. It is exciting and fun!

And it is recommended to purchase a set of "MT-500 Carburetor Gauges" through Janet (jcervovski24@gmail.com) if you don't already have a set. Cost is \$85.00 per set.

Larry Azevedo, President

Thank You Sponsors:

Thanks to Mike Kossor, who sells the ECCT, I-Timer, & E-Timer. Many of us tune up our ignition coils each year with his ECCT. <https://modeltecct.com> A growing number of Model T's use his I-timer or E-timer in their non-MT500 T's too. Mike also makes an appreciated donation to our banquet expenses. Thank again Mike!

Thanks to Don Snyder, III, of Snyder's Antique Auto Parts, for sending us a new gasket kit for our use in assembling the tore down car. [Vintage Ford Parts Distributor | Snyder's Antique Auto Parts \(snydersantiqueauto.com\)](#)

Come again and expect to have fun, The Montana Cross Country "T" Association, The Montana 500.

Montana Cross Country “T” Association
A Schedule S nonprofit Montana Corporation
Founded in 1961

Background:

The Ford Model T was voted the “Car of the Century” which was an international award given to the world’s most influential car of the 20th century. The election process was overseen by the Global Automotive Elections Foundation with a narrowed field of 200 cars. The winner, the Ford Model T, was announced at an awards gala on December 18, 1999 in Las Vegas, Nevada.

The Montana Cross Country “T” Assn. is dedicated to rebuilding, refurbishing, preserving, and proving stock Ford Model T’s. In some cases, members fully restore these cars to a “new car status” in most every aspect.

The Assn. also allows the above Model T’s that meet written safety requirements to be endurance-tested at their annual runs. The Montana 500 is sort of a proving ground for the owner, engine builder, chassis builder, electrical systems builder, and parts suppliers.

We highly recommend that you get yourself a Model T and join these endurance runs. Expect to have some old school (or new school) fun. The membership provides a friendly helpful atmosphere.
